Education

Indian Institute of Information Technology Dharwad

2023 – 2027

B.Tech in Electronics and Communication Engineering (ECE)

Technical Skills

Languages: Python, C++, JavaScript

Backend: Node.js, Express.js, REST APIs, JWT Authentication

Frontend: React.js, Next.js, HTML, CSS

Databases: MySQL, PostgreSQL, MongoDB

Testing: Postman, API Testing, JSON Validation, Pytest

Cloud & DevOps: AWS (EC2, S3, RDS), Docker, CI/CD, GitHub Actions

Projects

Cre8Hub – AI Creator Marketplace Platform

GitHub

Next.js, Node.js, MongoDB, PostgreSQL

- Built a full-stack AI platform for content generation and creator monetization
- Implemented JWT-based authentication with role-based access control (RBAC)
- Designed scalable backend APIs and analytics dashboards
- Evaluated AI-generated outputs for accuracy and edge-case handling
- Improved system reliability through structured validation and error handling

AI Chatbot API Testing Framework

GitHub

Pytest, Postman, Locust, CI/CD

- Built end-to-end QA automation framework with 75+ test cases across functional, security, regression and edge-case suites
- Implemented AI response validator using cosine similarity scoring for chatbot answer quality (0–100%)
- Simulated 100 concurrent users using Locust, measuring throughput, P95 latency, and failure rate
- Built CI/CD pipeline with GitHub Actions to auto-run full test suite on every code push
- Added security testing covering SQL injection, XSS, command injection, and data exposure vulnerabilities
- Generated interactive Allure HTML reports with detailed test insights and attachments

Vidtube – Scalable Video Sharing Backend

GitHub

Node.js, Express.js, MongoDB

- Developed backend services for a video-sharing platform with authentication and content management
- Built RESTful APIs for video upload, retrieval, and user interaction
- Implemented secure JWT-based authentication and authorization
- Designed MongoDB schemas for efficient storage of users and video data
- Followed modular architecture for scalability and maintainability

Achievements

- Incubated startup Cre8Hub at Yuva Udhyami Program, IIIT Dharwad Research Park
- Achieved certification in Web Development Fundamentals – IBM SkillsBuild (May 2026) Certificate
- Achieved certification in Artificial Intelligence Fundamentals – IBM SkillsBuild (May 2026) Certificate
